## Professional supply solutions

---

we deliver to clinics, pet stores, kennels, farms, and veterinary pharmacies.

business areas

## Online Pharmacy

One of the successfully developing areas of Alantera Group is the online pharmacy.

We have created a convenient online search system.

Our specialized reference system makes it easy to find both common and rare medications.

We ensure that every medicine reaches the customer on time.

The online pharmacy platform is designed for maximum user comfort.

business areas

## Pharmacy Chain

Alantera Group pharmacies are modern pharmacies providing high-quality service and a wide assortment of health and beauty products.

The company ensures strict quality control of all products offered, protecting customers from counterfeit goods.

**Only verified medicines reach our customers!**
